SUBJECT: ISRAEL - ARAB STATES--THE MILITARY SITUATION

25X1

Syria claimed that Israeli aircraft strafed a Syrian Army position twice on April 7; the Israelis denied the Syrian charge.

25X1

The Israelis admitted flying ground-attack sorties on April 6--
when aircraft were called in to deal with a 40-man Syrian patrol that had crossed the battle line near Mount Hermon.

25X1

Ground fighting took place along the Golan front again yesterday, and, according to a Syrian military spokesman, the fighting on Mount Hermon has continued through the night and on into this morning.
